

“We all live with the objective of being happy; our lives are all different and yet the same.”
- Anne Frank

“When you have once seen the glow of happiness on the face of a beloved person, you know that a man can have no vocation but to awaken that light on the faces surrounding him.”

- Albert Camus

“People spend a lifetime searching for happiness; looking for peace. They chase idle dreams, addictions, religions, even other people, hoping to fill the emptiness that plagues them. The irony is the only place they ever needed to search was within.”

- Ramona L. Anderson

"Plenty of people miss their share of happiness, not because they never found it,
but because they didn't stop to enjoy it."
- William Feather

“Happiness is not in the mere
possession of money;
it lies in the joy of achievement,
in the thrill of creative effort.”

- Franklin D. Roosevelt

“There are as many
nights as days, and
the one is just as long
as the other in the
year's course.

Even a happy life cannot
be without a measure of
darkness, and the word
'happy' would lose its
meaning if it were not
balanced by sadness.”

- Carl Jung

“Happiness is not so much in having as sharing.
We make a living by what we get,
but we make a life by what we give.”

- Norman Macewan

“Why not let people differ about
their answers to the
great mysteries of the Universe?

Let each seek one's own way to
the highest, to one's own sense of
supreme loyalty in life, one's ideal
of life.

Let each philosophy, each world-
view bring forth its truth and
beauty to a larger perspective,
that people may grow in vision,
stature and dedication.”

- Algernon Black

“The truth is that our finest moments are most likely to occur when we are feeling deeply uncomfortable, unhappy, or unfulfilled.

For it is only in such moments, propelled by our discomfort, that we are likely to step out of our ruts and start searching for different ways or truer answers.”

- M. Scott Peck

“Happiness comes
more from loving
than being loved;
and often when our
affection seems
wounded it is only
our vanity bleeding.

To love, and to be
hurt often, and to
love again – this is
the brave and happy
life.”

- J. E. Buckrose
[Annie Edith Jameson]
(1868-1931)

“The truest greatness lies in being kind, the truest wisdom in a happy mind.”

- Ella Wheeler Wilcox
